

The Montessori Mystery Unveiled

Annual Report: Fiscal 2012

Dear fellow Montessorians:

Montessori for You and Your Child: Frequently Asked Questions of Parents and Grandparents Considering AMI Primary Montessori Education for Three to Six Year Olds, the first book in The Montessori Mystery Unveiled Series, a publication written for parents and administrators, has now been on the market for almost two years. In its second year of publication, *Montessori for You and Your Child* has been picked up by Nienhuis, one of the official suppliers of AMI Montessori materials and publications. It is available on the Nienhuis website at <http://www.nienhuis.com/> under the heading “For Parents” under the “Books” tab. *Montessori for You and Your Child* can also be purchased through the author’s website:

<http://themontessorimysteryunveiled.weebly.com>.

My website has been accessed by over two thousand unique visitors from forty-two American states and sixty-three countries worldwide on every inhabited continent due to e-mail marketing to over one thousand national and international Montessori schools.

Advertising and general promotion of *Montessori for You and Your Child* from Montessori organizations and schools is always welcome. If you would like to carry my publication on your website to help inform parents, please e-mail me at:

themontessorimysteryunveiled@gmail.com,

and I will be happy to respond with my publisher’s instructions on how this can be done.

To inform the general public about the Montessori Method, consider speaking to your local librarian about purchasing *Montessori for You and Your Child* through Ingram. *Montessori for You and Your Child*, a title which has already been purchased by several public libraries throughout the country, would be a wonderful addition to any local or international library.

My hope for fiscal 2013 includes introduction of children’s books, new and repeat customers, and increased parent education through my writings which will become available on www.amazon.com later in the year for an expanded audience.

Kindest regards,

Mary Da Prato, AMI Diploma
